Monroe County Municipal Waste Hauler Permit Application

CALENDAR YEAR 2024

The Monroe County Municipal Waste Management Authority (the Waste Authority) is the implementing and enforcement agency of the Monroe County Municipal Waste Management Plan (the Plan), the Monroe County Municipal Waste Management Ordinance (the Ordinance) and the Monroe County Municipal Waste Management Rules and Regulations (the Rules and Regulations). All regulated waste haulers are required to register and obtain a permit from the Waste Authority for the collection, storage, transportation, and disposal of regulated waste to a county designated facility. The permit shall be affixed onto your vehicle to identify you as a registered waste hauler to access entry at a designated facility. All transporters of regulated waste must comply and remain in compliance with the requirements of Act 97, Act 101, the Plan, the County Ordinance and the Waste Authority Rules and Regulations. These laws are enforced to ensure, maintain, and protect the health and safety of the public and the environment.

Commonwealth of Pennsylvania Code Title 25. Department of Environmental Protection

Compliance with the County Plan Designated Disposal Facility Requirements:

Municipal waste disposal facilities and transporters are required to comply with county plans that specify which facilities are approved to receive waste from that county.

§ 273.201 and 283.201 – Basic Limitations

(i) A person or municipality may not allow solid waste to be received, disposed, or otherwise managed at the facility if the transportation to, or processing or management at, the facility would violate applicable laws in effect in the county or state in which the waste was generated, or state or local solid waste management plans in effect where the waste was generated.

§ 285.215. Transportation to Permitted Facilities

(a) Municipal waste shall be transported to prevent a nuisance or hazard to public health, safety or welfare.

(b) No person or municipality may transport municipal waste to a solid waste processing or disposal facility in this Commonwealth, unless the facility has a permit from the Department that expressly allows processing or disposal of the type of municipal waste being transported.

(c) No person or municipality may transport municipal waste in a manner contrary to the terms and conditions of a permit, an order issued by the Department or requirements in the act, the environmental protection acts or this title.

Disposal Information: All solid waste collected and transported within the geographical boundaries of Monroe County must be processed and disposed of at a DEP approved designated disposal facility within the Monroe County Waste Management Plan and permitted by PA DEP. It is the Hauler's responsibility to accurately report the source generation as "MONROE COUNTY" when loads are taken to the landfill as set forth in the Ordinance and the Authority Rules and Regulations. Refer to www.thewasteauthority.com website to download a copy of the Monroe County Ordinance and the Authority Rules and Regulations.

Effective January 1, 2015, all loads must be processed and disposed of at the designated disposal facilities. The disposal rate per ton is inclusive of all Pennsylvania Environmental taxes, host community benefit fees and Integrated Waste Management system fees and taxes. The Disposal rates may be subject to change.

The three (3) approved designated disposal facilities under the Monroe County Waste Management Plan are
